

*Gather The Fragments Bible Seminar Class 1  
At right with Stephen is Joseph Keitor, our right-hand-man.*

*Brother David Johnny, foreground, is the organizer  
of the Pelewahun-Tendabu group.*

*Each man received a Bible thanks to  
the generosity of Allen Johnson and  
Wings Bearing Precious Seed.*

*The classroom also served as our dormitory. We purchased local  
mattresses made of rice sacks filled with rice chaff (on the floor  
behind the men).*

*High-octane teaching!  
Special thanks to my favorite  
mother-in-law for sending the  
Starbuck's instant coffee.*

*Having learned that several of the  
students have tape players, we promptly  
set up our tape duplicating equipment  
and will be providing tapes which  
complement the teaching sessions.*
