

*Sister Betty Nallo, wife to Pastor Nallo of Grace Baptist in Bo, joined us for the week to serve as kitchen manager and help our ladies learn how to plan meals for larger groups*

*Laura's most faithful lady, Elizabeth, cleaning rice*

*Lukia did most of her work with little Musu strapped to her back!*

*Enjoying food and fellowship, both richly blessed of the Lord.*

*Kitchen overview.*

*Margaret, an orphan girl, was hired to do laundry and other chores. Here she is entertaining Musu while the men are being served. Margaret is wearing a dress made by the ladies of our home church while Musu plays with a rag doll. Some members of our home church rescued two dozen new dolls from a dumpster; they were sent here in our container and are finding happy homes.*
