

Mission Mountain

The caretaker's house where Joseph and his family will soon live.

The evangelism team including Joseph's son, Daniel.

*Laura's much-used drawing table.
The resurrection pictures were done in pastel.*

Goodness (R) and Mercy, on station and watching properly from the top of "Mission Mountain".

The freshly cleaned well being sunk an additional meter to ensure good supply during the dry season. Nothing is fast!

Part of our breeding stock, Daisy is Laura's favorite goat. The offspring will be used to help supplement our diet as will the garden in the background.
